Implementation Date

04/18/2005

Description Information

Benefit Category

Diagnostic Tests (other)

Please Note: This may not be an exhaustive list of all applicable Medicare benefit categories for this item or service.

Indications and Limitations of Coverage

Following a thorough review of the scientific literature, including a technology assessment on the topic, Medicare maintains its national non-coverage determination for all uses of FDG

PET for soft tissue sarcoma.

1. Effective for services performed on or after October 1, 2003, FDG PET for soft tissue sarcoma is nationally non-covered.
2. Effective for services performed on or after January 28, 2005, Medicare only covers FDG PET for soft tissue sarcoma as "coverage with evidence development".

Medicare shall notify providers and beneficiaries where these services can be accessed, as they become available, via the following:

- Federal Register Notice
- CMS coverage Web site at: www.cms.gov/center/coverage.asp 

(This NCD last reviewed March 2005.)
